

100 out of 100 people say who's watching

This website

- ①Interesting and thoroughly funny
- ②It makes it possible to acquire knowledge from the level of a newborn baby to the level of a world-class scholar
- ③Enhance Takakuwa office and music-related services

And... it's all free

This year or last year, when the number of novels I had exceeded 300, making rough revisions became a pain, so I posted things like, 'I'll make the revisions now...' But now I've surpassed 260 works, and it's starting to take a long time to count them... but I haven't wavered in my original belief...
