

## Something amazing

For example, the following situation

① I play piano at a wedding as a part-timer.

Conclusion: I'm the only one who stands out, and the bride is shocked.

② Part-time job handing out flyers at Shibuya Scramble Crossing

Conclusion → There's always a commotion around

③ Attending a funeral

Conclusion → The mourning attire is so sexy that it's impossible to express condolences, and the sexy conversations around me never stop.

In the end, it's all about the place...
